Dear Patrons of the Boise Warm Springs Water District:

The Boise Warm Springs Water District (BWSWD) will hold its annual meeting on Wednesday, December 14, 2022, at 7:00pm.

The district will also hold a public hearing for the purpose of considering and fixing the final budget for fiscal year 2022-2023 at 6:00pm on December 14, 2022, also at the Bishop's House. The proposed budget can be examined prior to the Public Hearing during regular office hours (9:00 am – 3:30 pm) at BWSWD office and on the BWSWD website.

The agenda for the annual meeting is as follows:

1. Yearly Highlights
2. Pump Data
3. Budget Report
4. Home System Maintenance
5. Mainline Replacement Project – Andrew Kimmel (GWE)
6. Open discussion about the BWSWD operations. We welcome your input.

As a reminder, invoicing for the 2022-2023 service year will be mailed to patrons in early December 2022. Please take time to review your invoice to ensure the assigned orifice size for your system is correct and/or domestic use charge is correct. All heating and domestic accounts are due within six (6) months of receipt. Fees can be paid in six (6) monthly payments if needed. All accounts must be paid in full by June 30, 2023. Metered accounts are billed monthly and due upon receipt. Property owners are responsible for payment of all charges billed by the district. Property owners are also responsible for notifying the district of billing address changes.

If you have questions regarding your bill, please contact Annicka Richardson, District Secretary and Bookkeeper, at (208)342-3162. As always, Del is available to assist you with any BWSWD service issue.

Sincerely,

Pete Miranda, Chairman
